Chrome
Enable Cookies/Allow Popups

1. Click the Chrome Properties button. Next, click “Settings”.

2. Select the “Show advanced settings…” link at the bottom of the page. Then, select “Content settings…” under the Privacy and Security section.

3. Select Cookies and Make sure that “Block third-party cookies and site data” is selected, then click on the “Manage exceptions…” button.
4. Under the section “Allow”, click “ADD” and enter the following sites one at a time:
   a. billpaysite.com
   b. www.billpaysite.com
   c. netteller.com
   d. cm.netteller.com
   e. online.sfefcu.org

5. Hit the Back button on your browser. Then, select “Popups”. Under the “Allow” section, click on “ADD” and enter the following sites, one at a time, and click the “ADD” button after each entry:
   a. billpaysite.com
   b. www.billpaysite.com
   c. netteller.com
   d. cm.netteller.com
   e. online.sfefcu.org

6. Close and re-open your browser. Then, login to Online Banking.
