Member Appreciation Month gives us the perfect opportunity to reward and thank our members. Members who qualified for various consumer loans received an additional 25% discount off their approved rate, and members who acquired a mortgage loan received $250 off closing costs.

Additionally, with generous support from our friends, we awarded some fabulous prizes to some lucky SFEFCU members. The grand prize winner of a 2020 Toyota Corolla L, donated by Kendall Toyota, is Joel Nuñez. Mr. Nuñez, a long-time SFEFCU member and educator for Miami-Dade County Public Schools, enthusiastically and graciously thanked SFEFCU and Kendall Toyota for his new car and for their ongoing commitment to supporting the educational community.

SFEFCU President and CEO, Michael DiBenedetto stated, “For the second consecutive year, we have been able to do something significant and memorable for our members to demonstrate how much we value their loyalty. The lending incentives, branch refreshments and our Member Appreciation Car Sale, along with the sweepstakes, have afforded us an opportunity to express our gratitude.”

Allied Solutions donated our silver prize, two Disney Platinum Passes. Rapids Water Park donated our bronze prize, four regular admission all-day passes to their venue. SFEFCU extends a heart­felt thank you to Kendall Toyota, Allied Solutions and Rapids Water Park for their very generous support.

Your home is a great financial resource, and with the help of your Credit Union, it may afford you the opportunity to accomplish some of your goals with easy, cost-effective repayment options. With mortgage rates at all-time lows, this could be the perfect time for you to consolidate other high-interest loans and reduce your debt significantly in 2020.

Are there any home projects you’ve been considering? Consolidating debt at a lower rate may free up your current resources, so that you can tackle the items on your “to-do” list and conveniently repay the amount borrowed over time.

Whether you are looking to:

- Pay off credit cards  
- Add a new roof  
- Remodel the kitchen or bathroom  
- Add a pool in the backyard

...Prepare your home for hurricane season with a generator, impact windows/doors or shutters

...Pay for a wedding

...Finance a dream vacation

Our workshop, Using the Equity in Your Home as a Financial Resource, will cover the following topics:

- Calculating the current equity in your home
- Available loan options that tap into the equity in your home
- Possible ways to reduce your overall monthly expenses
- Establishing a reasonable goal to payoff and consolidate debts

Space is limited for these seminars! Call 305-270-5200 to R.S.V.P. today!

Light refreshments will be served.

The possibilities are endless with a Home Equity Loan! Let our mortgage experts guide you through the process of applying, or to apply online, visit www.sfefcu.org/mymortgageapp. For additional information, come to our seminar, visit your nearest branch or call 305-270-5256.

Use the Funds in Your Savings Account to Secure a Low-Interest Loan

Did you know you can use your savings account to secure a loan at 2% above the current rate your savings account is earning? At this time, SFEFCU is paying 40% APR* on Prime Savings accounts. If you have the funds available, you have the option to use your account as collateral, and receive a lower interest rate than you would through a regular, unsecured loan.

If you are interested in applying for a Share Secured Loan, visit your nearest branch, call our Lending Center at 305-273-LOAN (5626) or apply securely via Online Banking.

*APR = Annual Percentage Yield. Savings account balances above $100 earn dividends. Dividends are compounded daily and credited quarterly.
